

## Leitz IQ OptiMax Office Cross Cut Paper Shredder Security P4 35L - White

The Leitz IQ OptiMax office shredder provides an innovative and stylish shredding solution, whilst ensuring exceptional document security and peace of mind. This high-security DIN P4 paper shredder effortlessly shreds up to 15x A4 sheets at a time into cross-cut pieces. IQ OptiMax features unique Bin Rotation Technology (BRT), ensures flat and even paper distribution to eliminate paper shreds from forming a peak in the bin. BRT means there's no need to remove or shake the bin; the 'bin full' indicator activates only when it reaches 100% capacity. Come with generous 35L bin and illuminates blue during use for the ultimate shredding experience. The intuitive LED rotating display includes red warning indications for various states such as bin full and door open. Leitz IQ OptiMax is versatile for any workplace environment due to its ultra-quiet operation, sleek design and impressive durability. Continuous runtime of 120 minutes. White colour.

### Attributes

- Shreds up to 15x sheets of A4 paper (80gsm) in just 10 seconds, into high security P4 cross cut pieces.
- Generous 35L bin capacity with unique Bin Rotation Technology (BRT) maximizes bin capacity\* and significantly reduces mess when emptying.  
\*Leitz IQ OptiMax tested with and without bin rotation technology.
- Dynamic LED rotating display with warning indications for bin full, door open, overheat and overload.
- Ultra quiet operation - for a calm working environment (when using Leitz oil papers regularly)
- Shreds staples and paper clips, no need to remove them first.
- Continuous 2 hours / 120 min run time - complete uninterrupted shredding ideal for office use.
- Anti-jam technology means that the shredder automatically stops and reverses the paper out when too much paper is inserted.
- The shredder machine has a circular design, allowing it to easily fit into tight areas for space optimisation.
- Easy to move across locations thanks to four high quality castor wheels.
